SUBJECT: Your Memorandum Concerning OCC  
Office Space, dtd 5 October

I appreciate your concern about space requirements in OCC. As you know, there are a number of competing needs for space in the building, and I intend to ask Ron Phillips to try to consolidate the needs and recommend solutions.

Hopefully, we can move on this in the near term.

SUBJECT: Office Space

Having reviewed [REDACTED] memorandum on office space, it is apparent that we will have to resolve the office space situation fairly soon. I know [REDACTED] has an interest in space here, and there may be other requirements that I am not aware of.

Please solicit from the Office Directors any requirements they have and consolidate them for me so that I can have a complete picture of our needs. Also, plan to recommend to me how to accommodate these various needs. I would like to have this situation resolved by the end of October.
